

# Nomenus Membership Form

Nomenus is a non-profit, consensus-based organization whose purpose is to create, preserve and manage places of spiritual and cultural sanctuary where Radical Faeries and their friends can gather in harmony with nature for renewal, growth and shared learning. *Membership must be renewed annually* and is open to gay-identified men, in agreement with the principles of the organization as outlined above. Members of Nomenus agree to involve themselves actively in the implementation of the corporation's goals and purposes, using the consensus decision-making process. There are numerous ways to participate. Twice a year we hold Great Circles where major decisions are made and policy is set. We have monthly Coordinating Council meetings on one Sunday of each month to deal with the ongoing business of Nomenus. There are also several task-specific committees to work on, and we always need help in such areas as fundraising, building projects, and providing consultation in various fields of expertise. In addition to these, there is always financial support! Membership requires no dues, but we are always very appreciative of any donations received. In the end, it's up to you to decide how you want to participate as a member.

Our monthly publication, *The RadDish*, carries the minutes of our meetings and committees along with reports from the Sanctuary, pictures and various articles. We spend about \$35 a year per person to put it out, so if you can afford to, please send a donation to cover the costs. No one is refused it for lack of money. If *The RadDish* is more detail than you need, we send out the *Nomenews* to everyone on our mailing list on an occasional basis.
