

# Spiritual Gathering of Radical Faeries June 15th - 24th, 2007

Nomenus and Wolf Creek Sanctuary Invite You: To Experience the Rebirth of the Sacred And the Union of Sex and Spirit over the Summer Solstice in men loving men (gay male) space.

**Download & View the complete call at [www.nomenus.org/](http://www.nomenus.org/)**

At the height of the Sun God's power in the first days of summer, we welcome the wheel and gather to create a gathering open to loving, nurturing, supporting, accepting, exploring, and expanding Our Nature as Radical Faeries.

**Summer Solstice  
Ritual**

Together we can be Open, Present, Accepting, Loving, Connected, and Radical.

As the emblazoned sun invigorates the ripening earth with the tender nuzzle of a morning hard-on, as buds swell into luscious bloom and begin to fruit as we all start to get that well-known itch to get up and shake it, buck-ass naked, with all of our crazy family, we send out this call.

**Drumming**

We send it in all directions: East West North South far above and down below: hear it, and GET HERE!

We send out this call to all who are likely to hear and to the unlikely as well to our Men loving Men Radical Faerie family:

**Heart Circles**

To each one we say: hear this call!

**Ritual BonFires**

Especially those who sense the truth: that NOW is the time to do the work, to heal the wounds, to care for the seeds, to come together as one gorgeous powerful ridiculous tribe, and weave together our prayers and talents our powers and needs, our healing and our hopes. Here we can share our tools of Empowerment and Healing, to the greater good of our tribe, and all others. Let us explore together what it means to walk in-between. What makes us vital to each other, our culture, and the earth? How do we stay connected to our Magick in all of our circles? Let us weave a web of love and empowerment that is big enough to support all that is. Let us take our places; as Initiators of Change and Walkers of the Edge. We are sacred flaming bundles.

**Know Your Talent Show**

No Speed, Heroin, or Cocaine, On you or In you (or in your car)

### How Can I Help Out?

Queen, we thought you'd never ask. Here are some jobs just waiting for your loving attention. Check the Barn door for signups.

**Kitchen Queen:** Be the Supreme Ruler of the kitchen for a day.  
**Cook:** Sign up with a friend or two to cook a meal.  
**Dishwasher:** Dishwashers eat first, and are considered especially desirable sexual partners.  
**Ritual Planning:** Help hold the container and guide the energy for our personal and communal magic.  
**Shitter Patrol:** Keep our trusty shitters clean and well-stocked. A humble yet vital job.  
**Welcome Wagon:** Hang out at the Qiosk in the Parking Lot and greet new arrivals.  
**Zombie Nurses:** Be a clear and grounded presence to safeguard and provide first aid to your fellow Faeries.  
**Coordinators** - Helping facilitate the gathering and it's overall flow, before, during, and after the gathering.

## These are our intentions:

- To create a strong container and a clear conduit for our personal and tribal magic.
- To respect the diversity of experiences, beliefs, and boundaries around substance use.
- To encourage mindfulness and respect in all our actions.
- To support the healing work of those in recovery or struggling with addiction.
- To honor the medicine spirits and to ask for their blessings.

## Please NO:

- Speed, heroin, or cocaine—not in you, not on you, not in your car.
- Violence or intolerance.
- Fire, smoking, candles, or incense on paths or at campsites.
- Pets. Yes, your dog is lovely. But a dozen dogs in a barking, fighting, pooping pack? Are not so lovely. For the safety and comfort of everyone at the Gathering, please leave your dog at home. A kennel is available in Merlin, the next town south, where you can board your furry loved one for \$10/day. It is called Creekside Boarding, (541) 471-7144, ask for Donna.

## SEE YOU SOON!

Be a creator of the feast, bare-assed beast, fashion diva, heartcircle healer, sanctuary protector, lover of ritual tempo, high priestess of a sacred temple—and come just as you are. Blessed Be! ~Conspirators for SGRF 2007

## Community Agreements

We ask you to respect these agreements while at this Gathering:

- Please use all substances intentionally, mindfully, and with respect for yourself and those around you.
- Please smoke only in these areas: in the Smoking Circle (behind the Barn), behind Garden House, at the fire, or in the parking lot (...and NOT on the paths, at your campsite, in Garden House, or in the Barn).
- Please don't smoke, use, or be under the influence in the Heart Circle or in and around Halston.
- Please use alcohol in moderation, and only in the parking lot. The exception is Libation Night, beginning after dinner when there will be ritual use of alcohol in circle.
- Please be responsible for all items you bring to the Sanctuary. If you pack it in, pack it out. Please leave your camping space and our whole Sanctuary in a better condition than you found it.

## Register Today! Don't Delay!

By registering today, you can make the whole Gathering run a little smoother. Or in other words, registering early plays a poignant part in preventing piss poor planning and petty performance.

!!! Right this minute, please email us your registration form, or better yet, print it out and send it with a check. !!!

The suggested donation is \$35 per person per day (more if you can, less if you can't, no one turned away for lack of funds).

Please come ready to contribute energy in its crystallized form (i.e. money), and also in the form of work, love, and participation.

Special Needs space is for faeries who require an indoor sleeping place and is limited, so please call the Sanctuary ahead of time and let us know of your needs.

No one under 18 may attend this gathering without accompaniment of parent or guardian

This gathering offers an opportunity to look at our relationships with consciousness-altering substances. How do these substances expand and illuminate us—and how do they limit us and keep us stuck?

- Which of our behaviors are compulsive habits? Which are life-enhancing choices?
- How do individual choices affect our group energy?
